

# *Business at OECD (BIAC)* Blockchain Expert Group

Informal Activity Report 2022

Updated by Hiroki Tamura ([Tamura@biac.org](mailto:Tamura@biac.org))

**BUSINESS**atOECD

## Business at OECD (BIAC)

- An international business network representing over **7 million** companies.
- A cross-industry group advocating for **open markets** and **private sector-led growth**.
- An **official advisory body** to the OECD.

## Blockchain Expert Group

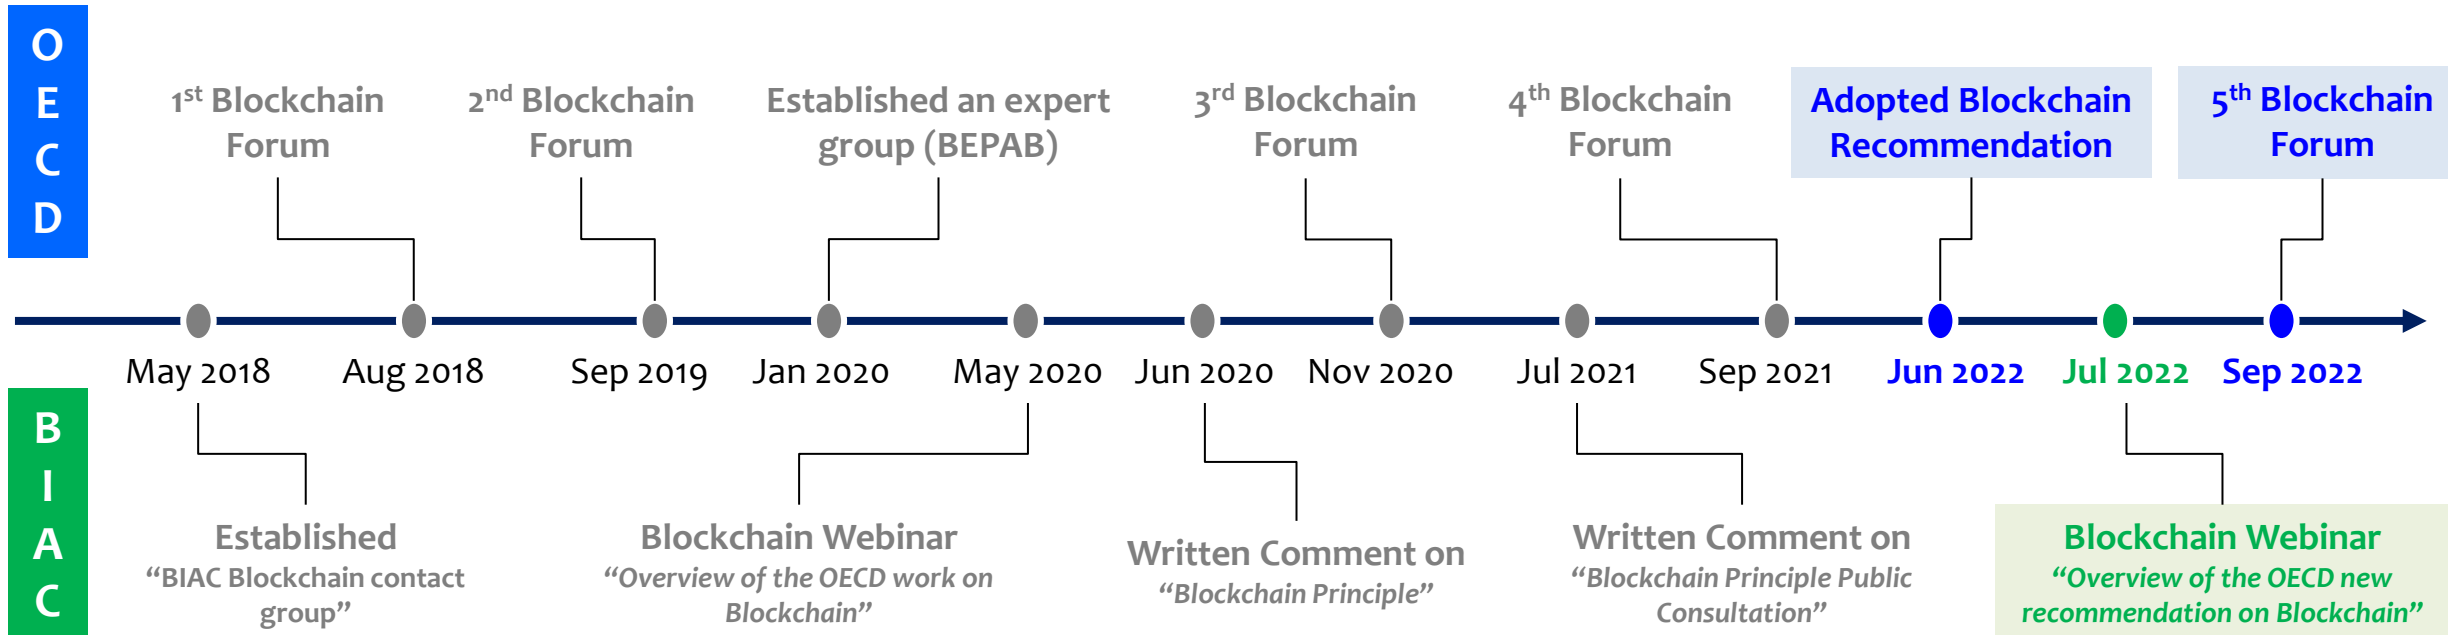

- A group of **industry experts** that provides **evidence and consensus based** inputs to the OECD.
- Actively collaborates with the OECD [Global Blockchain Policy Centre](#), OECD [Committee on Financial Market](#), and OECD [Committee on Digital Economy Policy](#).

# Past activities

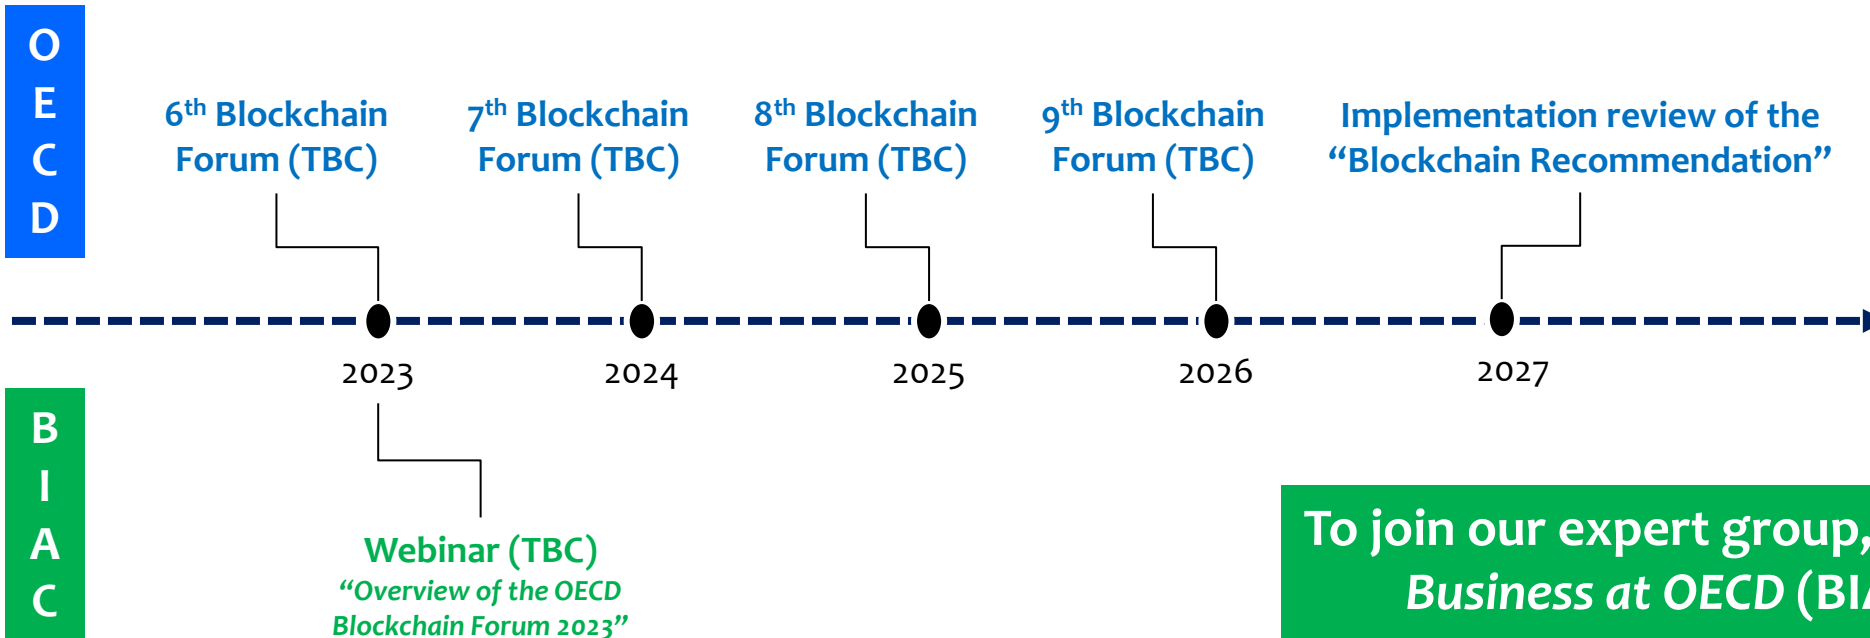

- The OECD and our work on Blockchain started in 2018.
- The OECD holds the annual [Blockchain Policy Forum](#) that we facilitate business experts to join.
- We contributed to the development of the [OECD Blockchain Recommendation](#) (June 2022).

# Future plans

- Contribute to the OECD policy discussion to provide business perspective and expertise.
- Follow up and facilitate the Implementation of the OECD Blockchain Recommendation.
- Hold workshops, webinars, and meetings to bring the business to the OECD discussion.

To join our expert group, please contact the Business at OECD (BIAC) secretariat
